

A manifesto for people living with long term conditions

Focus Group 8th September

The Long Term Conditions Alliance Scotland (LTCAS) is an independent charity. It brings together organisations that support or represent people living with long term conditions in Scotland.

LTCAS wants to hear from people living with long term conditions to help it campaign for improvements. We want to know about people's experiences and find out:

- ✓ **What needs to change to make life better for people who have long term conditions?**
- ✓ **What messages do politicians need to hear?**

Once we've gathered people's views we will put together a Manifesto. This will list the main ISSUES we think politicians need to look at.

Please help us by taking part in a **focus group** arranged by **Psoriasis Scotland**, Scottish charity, this will take place at A venue in Albany St., Edinburgh, on 8th September, 2009. *(LTCAS will conduct the questionnaire. Please **sign** and return this form to PSALV 54 Bellevue Road, Edinburgh, Eh7* if you wish a place. **half past six till around 8 pm, please let us know asap.** A few places only- **anyone** with skin psoriasis/And or PsA. tel 0131 556 4117 janice.johnson5@btinternet.com*
